RE: Green Meadow Organics, LLC  
960 Burnt Meadow Road, West Milford, New Jersey

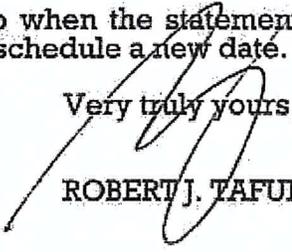

Dear Ms. Todd:

I am sending this letter as a follow up to the telephone conversations I have had with Mr. Glatt relative to the above matter and the proposed meeting date of October 15, 2018.

As you know, on September 19, 2018, we received a request for an environmental impact statement. My professionals have advised me that it is impossible for them to have the statement completed by the October 15, 2018 meeting. Accordingly, we are respectfully requesting that the October 15, 2018 meeting date be cancelled. I apologize for any inconvenience this may cause. However, we thought it best to have the statement done in advance of our next meeting.

Once we have a better idea as to when the statement will be completed, we will advise you of same so that we can schedule a new date.

Very truly yours,

  
ROBERT J. TAFURI

RJT/dm
