**WATER MAIN FLUSHING NOTICE
FOR THE HIGH CREST SYSTEM**

As part of our continuous efforts to improve service to our customers, Passaic Valley Water Commission will flush water mains in the High Crest section of West Milford.

Flushing will begin on or about Thursday, September 12, 2019 and is anticipated to be completed within 3 weeks.

The water mains will be flushed weekdays between the hours of 9:00 a.m. and 3:00 p.m., occasionally however, it may be necessary to continue flushing during the night.

We assure all customers that the water will be safe for use during this period. Customers are cautioned to determine if the water is clear before washing clothes (or any other processing) as staining may occur.
