

CRESCENT PARK
WATER EMERGENCY UPDATE
June 20, 2016

The MUA received the water sample results and these results were found negative for bacteria, therefore, the Boil Water Notice has been lifted. However, the outside water restrictions remain in effect until further notice.

The potable water truck will be leaving the development today (June 20, 2016).

Updates will be listed on the West Milford website (www.westmilford.org) under “News” as they become available.
