**PASSAIC COUNTY CLERK DANIELLE IRELAND-IMHOF
ANNOUNCES THE PASSPORT DIVISION RECEIVING A
CERTIFICATE OF ACHIEVEMENT FROM THE
U.S. DEPARTMENT OF STATE**

Paterson, NJ – Passaic County Clerk Danielle Ireland-Imhof is proud to announce the County Clerk’s Office’s Passport Division has received a Certificate of Achievement following a rigorous inspection by the United States Department of State’s Passport Services Office of Acceptance Facility Oversight.

The Certificate of Achievement was issued by National Passport Center Customer Service Manager Brian Strucker after an inspection agent interviewed Passport Division team members and thoroughly reviewed protocols for information security, customer service, training, and

efficiency. Following the agent’s inspection, he issued a report thanking the office for its cooperation. The report noted no items identified during the inspection that were inconsistent with procedures outlined by the federal Passport Agent Reference Guide and no items required for follow-up or improvement.

“I am incredibly proud of the team receiving this well-deserved and prestigious recognition. This certificate reaffirms our dedication to adhering to the federal standards while also delivering excellent customer service to our residents and community,” said Clerk Ireland-Imhof.
