Attention West Milford Residents:

With the winter months approaching, the Township of West Milford, Department of Public Works is reminding residents that now is a good time to remove portable basketball hoops, street hockey nets, skateboard ramps, and other sports equipment from public roadways.

Anything left in the roadway during winter weather conditions impedes the Township's ability to clear the streets, increases the risk of damage to your property and jeopardizes the safety of the equipment operators and all drivers.

Your cooperation is appreciated.
