Public Questions	STATE PUBLIC QUESTION NO. 1 NEW JERSEY LIBRARY CONSTRUCTION BOND ACT Do you approve the "New Jersey Library Construction Bond Act"? This bond act authorizes the State to issue bonds in the aggregate principal amount of \$125 million. The proceeds of the bonds will be used to provide grants to public libraries. The grants will be used to build, equip, and expand public libraries to increase capacity and serve the public. INTERPRETIVE STATEMENT Approval of this bond act will allow the State to sell \$125 million in State general obligation bonds. Proceeds from the bonds will be used to provide grants to construct, expand, and equip public libraries. Municipalities or counties that fund public libraries will match the grant amount. The municipality or county may solicit private funding to support its match. The State Librarian, in consultation with the President of Thomas Edison State University, will set eligibility criteria for the grants.	STATE PUBLIC QUESTION NO. 2 CONSTITUTIONAL AMENDMENT DEDICATING MONEYS FROM STATE ENVIRONMENTAL CONTAMINATION CASES Do you approve amending the Constitution to dedicate all moneys collected by the State relating to natural resource damages in cases of contamination of the environment? The moneys would have to be used to repair, restore, replace, or preserve the State's natural resources. The moneys may also be used to pay legal or other costs incurred by the State in pursuing its claims. INTERPRETIVE STATEMENT This amendment would dedicate moneys collected by the State relating to natural resource damages through settlements or awards for legal claims based on environmental contamination. These moneys would be dedicated to repair, replace, or restore damaged natural resources, or to preserve the State's natural resources. The moneys would be spent in an area as close as possible to the geographical area in which the damage occurred. The moneys could also be used to pay for the State's legal or other costs in pursuing the claims. Currently, these moneys may be used for any State purpose.	MUNICIPAL QUESTION TOWNSHIP OF WEST MILFORD Shall the assets of the Township of West Milford Municipal Utilities Authority ("the MUA") be sold to Suez Water New Jersey, Inc. ("SUEZ") for a sale price of a minimum of \$10,000,000.00? INTERPRETIVE STATEMENT The infrastructure of the MUA has developed severe deterioration resulting in the MUA's inability to continue operations as currently structured. A "yes" vote will result in SUEZ purchasing the assets of the MUA. This sale, if approved and completed, would transfer ownership of the MUA's water and sewer utility to a private company. The MUA provides water services to approximately 1,700 homes and sewer services to approximately 1,500 homes within the Township of West Milford. A vote of "yes" will authorize the sale of the MUA's assets to SUEZ, a private entity. The purchase price of no less than \$10,000,000.00 will be sufficient to pay all of the MUA's outstanding obligations and as a result, the MUA will be dissolved. Any funds that remain from the sale of the MUA's assets shall be applied to outstanding municipal debt of the Township of West Milford. If the sale is approved by referendum, and thereafter completed, the future costs and operations of the system will be the responsibility of SUEZ.
