

## WEST MILFORD TOWNSHIP

### HOW TO ADOPT-A-ROAD/SPOT/SIGN/DRAIN

This program is administered by the **West Milford Beautification and Recycling Committee (BARC)**. Please call **973-728-2724** for additional information.

Your participation in West Milford's **Adopt-A-Road/Spot/Sign/Drain** program offers a valuable contribution to our community and makes West Milford a cleaner and more beautiful place. When you or your family, group, or business **Adopt-A-Road/Spot/Sign/Drain**, you commit to picking up litter along a section of the roadway for three years. Maintaining your adopted area also includes grass cutting and weed trimming. In return, the Township will provide black bags for garbage, clear for recycling (if needed), safety vests, and gloves. The Township will post a sign with your name or your family's/group/business name at your adopted site.

***Remember, a public roadway can be dangerous if proper safety precautions are not followed. Safety is our top priority, and it must be yours as well.***

#### Guidelines & Responsibilities

- A. Youth organizations must have parental permission and supervision. Young children must always be accompanied by an adult on the roadsides.
- B. Litter should be picked up as needed (you are encouraged to clean your adopted site more often, if needed) besides our anticipated semi-annual Township roadside litter cleanup days in April and September.
- C. Safety vests must be worn when you are at your adopted site.
- D. Please notify the Township when you have completed a cleanup at your site for pickup of trash and recycling bags by calling the Recycling Department at **973-728-2724**.

Your participation in adopting a road, spot, sign, or drain is very much appreciated. The West Milford Township Beautification and Recycling Committee would like to thank you for your ongoing efforts to keep our Township **clean, green, and beautiful**.

This program is funded by the New Jersey Clean Communities grant. Please take a moment and print what you would like your sign to say at the bottom of this page.

Please email this to [recycling@westmilford.org](mailto:recycling@westmilford.org).
