INSTRUCTIONS FOR VOTING

- To vote for a candidate, press the button under the person's name. A green "X" will appear next to your selection.
- To change a selection, press the button again. The green "X" will disappear and you may make a new selection.
- If you wish to cast a write-in vote, go to the PERSONAL CHOICE row and press the button below "Write In" in the same column as the office you wish to write-in. Using the alphabetical keyboard below, enter the name of the person of your choice, one letter at a time. To make a space between the first and middle name or initial and last name, use the arrow pointing to the right on the keyboard. To make a correction, use the arrow pointing to the left. The name you enter will appear in the display to the left of the keyboard. Prior to pressing enter for a write-in vote, be sure you have verified the spelling of the person's name and you have selected the correct office. Your choice is recorded and removed from the display.

WARNING: If instructions for a write-in vote are not followed exactly, then you have an improperly cast write-in vote, which will be void and not counted.

4. After ALL selections have been made, press the RED CAST VOTE BUTTON located at the bottom right. This electronically records all of your votes.

5. Part the curtains and exit the voting booth.
