

West Milford Police Department

Community ShareCam Program Video Surveillance Registration Form

“Help Your Community...Help the Police”

Community ShareCam is a community safety program instituted by the West Milford Police Department which allows both residents and businesses to partner with the West Milford Police Department in the fight against crime throughout the Township. Simply by registering your home or business Surveillance System with the West Milford Police Department you can be an invaluable asset in solving crimes in your neighborhood. When a crime occurs in your neighborhood, the West Milford Police Department will call on you and request a copy of your video footage. This footage will help establish leads, identify suspects and save valuable investigative time. All registered camera locations are stored in a secure database and are entered into our Records Management System allowing the West Milford Police Department to map out locations of cameras throughout the town. West Milford Police Department Community ShareCam does not provide the West Milford Police Department with direct access to your Surveillance Systems. Residents and Businesses will only be contacted by the West Milford Police Department in the event of a crime occurring in the area of their camera coverage.

How You Can Assist

1) Registration

Registration is easy and takes just a few minutes to complete three simple steps. You provide basic contact information and tell us where your cameras are located. There is NO Cost to register.

2) Confirmation

Once you completed the registration and confirmation process, the West Milford Police will follow up with you to confirm your information.

3) Call for Assistance

West Milford Police will only contact you if there is a criminal incident nearby. Police personnel may request a copy of any video captured by your cameras, which may assist in the investigation.
