&  
USA Sports Institute

Introduce your child to the wonderful game of golf! This summer golf camp for ages 5-10 introduces a wide range of skills throughout the week including chipping, putting and driving using award-winning SNAG (Starting New at Golf) equipment. Each Day participants will receive personalized attention from our coaches to develop their technique and their understanding for the rules and sportsmanship associated with golf.

Participants will develop an understanding of offensive and defensive plays, and be encouraged to implement these skills into realistic game-play situations.
