

INTERNET SAFETY WORKSHOP

West Milford Township Library Rooms 6 & 7

October 2
2024

6-7:30pm
Including a question
and answer session

Get ready for an engaging evening where we explore the digital world to provide parents with guidance on internet safety! Presented by NJ4S.

Purpose: This presentation aims to empower parents with the knowledge necessary to monitor and guide their children's online interactions, social media engagements, and overall safety. Moreover, it will educate parents on recognizing signs of cyberbullying.

Rationale: As the internet plays an increasingly significant role in our daily routines, presenting both advantages and risks, our objective is to equip parents with the skills to safeguard their children while fostering responsible internet usage in a secure environment.
