**Reports of Mayor, Council Members, Administrator, and Attorney**

Councilman Chazukow –The Greenway subcommittee of the Environmental Commission recently met and is moving forward with the preliminary work being done for phase 1 of the project. They are looking at specific locations for where the trail would go. They are assessing what materials will be needed in order to build bridges over creeks and things of that nature. It’s exciting to transition from a concept phase into reality. The EDC is still moving forward with the tourism map project, which could include the Greenway project. As previously discussed, funding for that map is included in the budget but there is a possibility that the County may pay for it. They have had conversations. The Heritage Committee is having an event at the museum on June 3, at 2 p.m. with a local author featuring the life and legacy of Senator William Hughes. The West Milford Museum hours are 1 to 4 p.m. every Saturday.

Mayor Dale – Questioned if the Greenway project was no longer going to go through the Greenbrook Estates Neighborhood. Administrator Senande indicated that the phase one portion is over by the Wallisch Homestead area, so we have not determined that yet.

Mayor Dale opened up the public portion for anyone wishing to speak.
